Malabe, WP | +94 71 788 0140 | dileepapraveen32@gmail.com

SUMMARY

A highly motivated IT undergraduate student at the Sri Lanka Institute of Information Technology, with a strong foundation in different programming languages, improved through various projects. As a learner who enjoys challenges and has a passion for continuous learning and growth, I am seeking a software engineering internship to use my knowledge in real-world problems and contribute to a successful software development team while further expanding my knowledge and skillset.
